The names of Mr. Aug. Schuehle  
of Hondo, and Mr. Earl Holmsley of  
D'Hanis, were called on last Bank  
Night at the Colonial Theatre, for  
\$100 each, as neither was present to

Friends of Mrs. H. S. Bulgerin  
are glad to hear her voice over the  
telephone again, she having returned  
to work Thursday after an absence  
of three weeks. Mrs. Bulgerin was  
a victim of the flu and it affected  
her vocal chords.

Mr. and Mrs. Joe J. Rihn and fam-  
ily left Hondo Saturday, after a sev-  
eral years' residence here, to make  
their home in San Antonio, where  
Mr. Rihn has secured employment.  
Their many friends here regret their  
departure but wish them success and  
happiness in their new home.  
The Methodist Young People will  
have charge of the service at the  
church hour Sunday night, February  
22, at 7 o'clock. The subject is  
"What it Means to be a Christian".  
The program will be composed of  
musical selections and talks by the  
Young People. The public is cordially  
invited to attend. Come and hear  
them.

Sheriff Chas. Schuehle went to El  
Paso Monday, returning with four  
young men, Jack Weaver, Woodrow  
Woodruff, Ernest Kennedy and  
Speck Kirkpatrick, who had burglar-  
ized a box car here several nights  
before. They were placed in jail here,  
awaiting trial Saturday. All have  
misdemeanor jail records. The young  
men are all of McAllister, Oklahoma.

Joe Monkhouse opens the cam-  
paign this week by formally announc-  
ing as a candidate for the office of  
Representative in the Legislature  
from this, the 77th district. The dis-  
trict is composed of Medina, Uvalde,  
Zavalla and Dimmit Counties. Mr.  
Monkhouse grew to manhood in Me-  
dina County, volunteered from here  
for service in the world war, return-  
ed from that to engage in business  
here, and later moved to Uvalde  
where for several years he has con-  
ducted a successful business career.  
He is widely known and popular and  
without any disparagement to whom-  
soever they be, Joe's opponents will  
know they have a race on when the  
campaign is really on.

### BAPTIST NEWS NOTES.

At a called business meeting, on  
last Sunday morning, the church, at  
the Pastor's request, voted unani-  
mously, to release him from active  
service after the end of the present  
month. For this kindness, the church  
has the sincere thanks of the Pastor  
and wife. As a consequence of this ac-  
tion, the Pastor will give his "farewell  
message" on next Sunday night, at  
7:30 o'clock. Of course, there is much  
sadness attached to farewells, ever  
so. Therefore, in the face of the fact  
that our people are not in the habit  
of attending worship on Sunday  
nights, I am asking and urging all  
of my Friends, both in the church  
and out of it, to come, and let us  
say "good bye, farewell, God bless  
you," in the house of God. It is to be  
hoped that we shall meet again "in  
our Father's House".

**Attention Again!**  
I hope the Community of Hondo  
people may not forget the rare op-  
portunity which will be afforded us  
on Next Sunday Morning at 11  
O'clock, when Dr. C. W. Anderson,  
now of San Antonio, but late of  
Soviet Russia, will speak on the pres-  
ent working of Communism in that  
Country. Dr. Anderson will set be-  
fore us the social industrial, and  
religious workings of a Nation which  
has "blotted God out", and set up a  
materialistic State—thus worship-  
ing Materialism. They have not only  
sought to blot God out, but have ab-  
olished the very names of "home",  
"father", mother, brother, sister,  
family, love, and substituted hate  
and slavery in their stead. But, by all  
means, come and hear Dr. Anderson.  
Our entire community is cordially  
invited—especially all non-church  
people. This too, not only for Hondo,  
but for the county as well. The sub-  
ject is vitally important.

R. W. MERRILL.

### QUIHI NOTES.

And God heard the voice of the  
lad. Gen. 21:17.

It will do us no harm if we, for a  
second time, look upon Ishmael in the  
throes of utter exhaustion, the heart  
obviously throbbing out the last chap-  
ter of a young life. Death-beds, death-  
scenes in general, have a wholesome,  
stark and sobering effect on flighty  
and overhasty onlookers. Such  
scenes often lift the clouds hovering  
quite long on a precarious human  
existence, and clear, blue sky breaks  
through triumphantly, victoriously,  
welcoming the homegoing soul to the  
eternal peace of its Saviour; quite  
often, alas, these scenes disclose a  
sickening chasm, a soul caught in the  
swirl of onrushing fear, unready, un-  
prepared, hopeless—and the bystand-  
ers can only close their eyes in pray-  
er and perhaps revise their own reli-  
gious calculations. But it's the pray-  
ing lad that strikes our attention.  
That's a rare sight. Glad to admit  
that many lads and lassies today still  
know the need and privilege and help  
of prayer, but over against them  
stand the innumerable hordes of youth  
that never whispered a single one or  
believe they have outgrown it. Wonder  
why? Is it because they feel their  
own volcanic energy and are so sure-  
sighted of their goal without aid? Are  
they merely star-gazing and  
wool-gathering, unconscious of the  
seriousness of life, of accountability?  
Are they engaged in moods and  
modes of life that must seek cover  
from inspection? Maybe rheumatism  
does not pinch their muscles, no fire  
or floods threaten their own premises,  
no market fluctuations endanger  
their investments, not even the bread-  
and-butter question looms up, they  
see no seeming situation, all's well  
in their "pursuit of happiness"—why  
pray? But that's not all of life. Di-  
vine elements are vitally needed for  
the energy of our soul, for the co-  
ordination of our will to God for the  
daily spiritual growth of character  
toward a God-pleasing well-being and  
well-doing in the midst of tempta-  
tions and impending emergencies.  
Prayer is the hand that reaches up  
for them. Remember that lad!

Cheerful news floated over our  
quiet hills, of the marriage of Elden  
C. Saathoff, a young man well known  
in this, his home section. Miss Theo-  
dora Schlake of San Antonio, like-  
wise no stranger here, was the chosen  
bride. The numerous guests from  
here report a pleasurable time. We  
are glad to join the host of well-  
wishers for the young people in their  
new home over there.

Mr. Hy. Buss is on the long list  
of flu patients but has improved con-  
siderably. And Mrs. H. J. Joehle has  
had a painful accident by a fall, and  
most likely, will be forced to an in-  
voluntary rest for some time. May  
the Lord give them a speedy recovery.

Beginning with Ash Wednesday,  
February 20th, we again plan a se-  
ries of Lenten services, every Wed-  
nesday at 7:30 P. M. "Let us go up  
to Jerusalem with Him", is the old  
invitation. His disciples will heed it  
and not fail Him. Holy Communion  
on Ash Wednesday. It's the proper  
start for that quiet season. Also for  
you.

A Call Meeting is announced for  
March 1st, after morning service.  
An important discussion and deci-  
sion is pending. Be there.

Announcements for February 26.  
German service at New Fountain,  
10 A. M. Sunday School at 9:30;  
evening service at 7. Render unto  
God the things that are God's.

### MARRIED.

The marriage of Miss Theodore  
Schlake, daughter of Mr. and Mrs.  
Charles Schlake, 1106 West Olmos  
Drive, and Elden C. Saathoff of this  
city, son of Mr. and Mrs. Emil C.  
Saathoff of Hondo, was solemnized  
Saturday evening in Evangelical Frie-  
dens Church, with the pastor, Rev. F.  
W. Schaeffer, reading the ceremony.  
Mrs. F. W. Schaeffer sang "I Love  
You Truly," and Miss Gladys Hahn  
played the wedding march. The  
church was decorated with palms and  
white carnations.

The bride wore a white ensemble  
and carried a bouquet of lilies of the  
valley and Butterfly roses. Her only  
attendant, Miss Delta Schlake, wore  
a pink crepe ensemble and carried  
pink Radiance roses.  
Lester Saathoff brother of the  
bridegroom, served as best man.  
The ceremony was followed by an  
informal reception in the home of  
the bride's parents, for members of  
the families, the wedding party, and  
intimate friends.

Mr. and Mrs. Saathoff are at home  
at the Arlington Arms, 100 East  
Summit Avenue. The bride was  
graduated from Hondo High School  
with the class of 1935.

### F. F. A. TO HOLD BABY BEEF SHOW.

On Tuesday evening, February  
25th, the Hondo Chapter of Future  
Farmers of America, will hold a baby  
Beef Show on the Plaza.

The animals will be judged for the  
first 10 places and these animals will  
represent the Hondo Chapter at the  
South West Boy's Fat Stock Show in  
San Antonio February 26, 27, and  
28.

Due to the fact that no animals ex-  
cept prize winning animals will be  
auctioned at the Fat Stock Show  
only the 10 best animals will be en-  
tered there.

Everyone is invited to attend this  
baby beef show.

### RECENT BRIDE HONORED.

A distinctive affair of last week  
was the tea and shower given in the  
late hours of Friday afternoon, Val-  
entine's Day, at the home of Mrs. R.  
W. Speece, honoring Mrs. E. A.  
Lamb, who prior to her recent mar-  
riage was Miss Velma King. Host-  
esses were Mesdames Speece, Tom  
Holloway, J. R. Chancey, D. H. Fly,  
A. H. Schweers, Earl Starnes, O. A.  
Fly, H. E. Merriman, and C. A. Van  
Fleet.

Assisting Mrs. Speece and the hon-  
oree in receiving the guests were  
Mrs. V. P. King, the honoree's mother,  
and her sister, Miss Ina King.

Mrs. J. R. Chancey was in charge  
of the bride's book, a gift of Mrs. A.  
H. Schweers, which was bound in  
white picoté organza with a hand-  
painted bride on the cover and tied  
with white satin ribbon.

Mrs. Schweers welcomed the guests  
in the gift room, where a handsome  
array of shower gifts was displayed.

The drawing room suite was pro-  
fusely adorned with graceful ar-  
rangements of red and white stock,  
white clematis and red godetia in  
floor baskets and vases. Additional  
blooms in the reception hall were red  
tulips. Red and white were combined  
in decorating the refreshment table,  
which was covered with an exquisite  
cloth of Venetian lace. A mirror  
plaque, reflecting a white pottery  
bowl of red carnations and white  
freesias, and flanked with white cor-  
nucopia candelabra holding red  
tapers, graced the center of the  
board. Red candles lighted the buf-  
fet which had for adornment a white  
bowl of red carnations and fern.

Alternating in serving the salad  
were Mrs. Holloway and Mrs. D. H.  
Fly; Mrs. Merriman and Mrs. Van  
Fleet served the cake, and Mrs. O. A.  
Fly and Mrs. Starnes presided over  
the silver coffee service. Assisting  
were Misses Bernice Chancey and  
Bernice Speece.

The bride's cake a large square  
confection iced in white, was em-  
bossed in red with the name of the  
honoree, "Velma" on each square. In  
the center of the cake was a large  
gold wedding ring holding a recum-  
bent white cupid figurine.

The honoree, Mrs. Lamb, was love-  
ly in a white lace dress with white  
tulle jacket, and a corsage  
of pink Talisman roses. The matrons  
were also attractive in lace gowns.  
Mrs. Speece wearing violet and Mrs.  
King green. Miss King wore white  
tulle with a flowered tulle jacket  
in shades of pink and rose, with a  
striking arrangement of brilliant  
chips in her dark hair.

A large number of guests were re-  
ceived between the hours of four and  
seven.

### A CHARMING WEDDING.

Following is an account of the  
O'Connell-Crow wedding, mentioned  
more briefly in last week's issue:

The home of Mr. and Mrs. J. W.  
Crow was the scene of a wedding of  
great simplicity at four o'clock Sat-  
urday afternoon, February the eighth,  
when their daughter, Meda, and Mr.  
Arthur James O'Connell were united  
in marriage in the presence of near  
relatives and friends. The Reverend  
Shan M. Hull, pastor of the Hondo  
Methodist Church, read the marriage  
lines, using the ring ceremony, while  
Miss Mattie Mae Newcomer of Me-  
dina and Mr. James Crow, brother of  
the bride, acted as attendants to the  
couple. A few potted ferns pro-  
vided a simple decoration in the liv-  
ing room.

The bride wore a gray wool crepe  
two-piece dress with a bit of blue at  
the throat, the same color being re-  
peated in small designs of cutwork  
embroidery here and there about the  
shoulders and sleeves. Gray slippers  
completed the ensemble. A blue vel-  
vet hat, a gray fur-trimmed coat,  
and gray accessories were later added  
for traveling. Miss Newcomer wore  
navy blue.

Following the informal serving of a  
simple buffet lunch in the dining  
room, where the brides' cake was cut  
after the ceremony, the wedding  
party left by motor for San Antonio.  
The bridal party remained there for  
several days and later returned to  
Hondo for a visit with the bride's  
parents before a final leave-taking.

Others present for the occasion  
besides members of the bride's im-  
mediate family and that of her brother,  
Mr. O. G. Crow, were Mrs. Hull, Mrs.  
V. H. Blocker, Miss Roseina Taylor,  
cousin of the bride, Miss Joyce New-  
comer of Medina, and Mr. Preston  
Langford.

The bride comes from two of the  
oldest families of our town, being  
the granddaughter of Mr. O. H. Get-  
ter, who brought his family here from  
Austin in the '80's when the town  
was first being built, and of Mr. W.  
L. Crow, who came here with his  
family shortly following. Mrs. O'Con-  
nell was graduated from Hondo High  
School, attended college at San Mar-  
cos, and has been a devoted music  
student.

Mr. O'Connell, originally from  
Missouri, recently made his home in  
San Antonio for a number of years  
after some time spent in employment  
in Latin-American countries. Mr. and  
Mrs. O'Connell plan to go to Joplin,  
Missouri, in the near future for a  
visit with the former's mother, Mrs.  
J. M. O'Connell, before being perma-  
nently settled.

### CARD OF THANKS.

For every act of kindness, for every  
expression of sympathy, for the beau-  
tiful floral offerings, at our recent  
bereavement in the passing of Mrs.  
Maggie Hardt, we wish to express our  
deepest gratitude.

H. G. HARDT  
And the Children.

### ST. PAUL'S LUTHERAN CHURCH.

2 2 2 2 2 2 2 2  
Have you read the first line? Yes,  
you understand that it spells "two".  
The Season of Lent, that sacred pe-  
riod in our Church life, will begin  
soon. The PASSIO MAGNA stirs the  
Christian soul with varied emotions,  
impresses the intellect of the wisest,  
and makes demands upon the will of  
the most self-willed. There are al-  
ways two in this Great Passion drama  
enacted in the Crucial period of the  
history of salvation: There are the  
human nature, and the divine nature.  
There are God and man; darkness  
and light; sin and Saviour. There  
are two who play the chief role and  
who display this vital contrast (two  
names of 5 letters, both beginning  
and ending with the same conson-  
ant): Jesus and Judas.

We shall trace these characters  
through the Lenten Season week  
after week, until we stand "on Good  
Friday at Calvary". The first mid-  
week Lenten service will be held next  
Wednesday thereafter until Holy  
Week. The first subject will be:  
"TWO READY TO DO THEIR  
PART".

In connection with the service  
Wednesday night Holy Communion  
will be administered. Start the sacred  
Passion period with a clean slate and  
a clean conscience! Kindly announce  
your intention.

At this point we wish to add a  
thought which is best expressed by  
an apt illustration. Leonardo da  
Vinci had worked long and hard on  
a painting of the Last Supper. The  
story goes that one day some friends  
came to view his work of art and  
were enthusiastic in their praise.  
Several among them remarked about  
the beauty of the cup in the picture.  
Upon hearing this remark, da Vinci  
took a brush, and crossing out the  
cup, said, "I feel that I have failed.  
I meant that Christ should be fore-  
most."

"They lifted up their eyes, and  
saw no man, save Jesus only". This  
was the experience of the disciples  
on the Mount of Transfiguration.  
On the heights of the thorn-crowned  
Calvary we, too, would see Jesus  
first and foremost. The sinner is a  
chief character, but where he is,  
there the Savior must be foremost.  
This is evangelical.

Make up your mind to this one  
thing for your own good: There  
SHALL be two this Lenten Season  
traveling the Way of Sorrows, just 2,  
He and—You.

Sunday, February 23, German  
service 10:30 A. M. with Holy Com-  
munion. English service Sunday,  
March 1, at 10:30.

### DANCE WONDER GETS BIG ROLE IN SECOND FILM.

Eighteen-year-old Eleanor Whit-  
ney, in addition to being the world's  
fastest tap dancer, enjoys the dis-  
tinction of having made the fastest  
journey to film eminence. She has  
appeared in but two pictures, and has  
been featured in each.

Capable of accomplishing more  
than sixty taps within four seconds,  
Eleanor was singled out by Para-  
mount scouts because she had a way  
of stopping a musical show on an  
average of four times nightly.  
Brought to Hollywood, she was fea-  
tured in "Millions in the Air," and  
won instant acclaim.

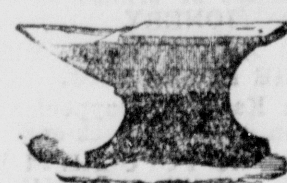

A screen career as a dancer in mo-  
tion picture musicals loomed ahead.  
Instead, to her surprise and pleas-  
ure, Eleanor was given the chance  
to win dramatic laurels in "Timothy's  
Quest," the attraction for Monday  
and Tuesday at the Colonial Theatre.  
In this presentation of the homely  
quaint drama by Kate Douglas Wig-  
gin, the sensational dancer forsakes  
her dancing slippers, to enact a heart-  
tugging romantic role.

First noticed by Bill Robinson,  
king of taps, Eleanor began her  
professional career four years ago  
with Rae Samuels, and then joined

Notwithstanding this editor's sign-

paper would defend neither the pro-  
nor the con of the proposed \$20,000-  
00 bond issue, at this time, we are  
in receipt of two anonymous articles  
on the subject. To print them with-  
out knowledge of their authors would  
make this editor responsible for all  
they contain. Obviously, therefore,  
he must first know who wrote them.

### FARMERS' COUNCIL MEETS.

A meeting of the farmers of the  
Hondo community was held at the  
courthouse on the night of February  
11, 1936. Mr. F. R. Grube, presi-  
dent of Hondo Council, was in charge  
of the meeting. County Agent Mer-  
ritt gave some interesting informa-  
tion about the 1936 farm program.  
He also stressed the value of home  
gardening, especially sub-irrigation.

The 4-H Club livestock show to be  
held at Dallas during the Centennial  
Exposition was outlined by the Coun-  
ty Agent. All boys between the ages  
of 10 and 21 are eligible. Mr. Mer-  
ritt is anxious to have as many as  
possible feed a calf, lamb or hog, the  
best of which will be selected in No-  
vember to compete for prizes at Dal-  
las. For details see the County  
Agent.

Mr. F. R. Grube was re-elected as  
president of our organization and H.  
H. Decker was re-elected as secre-  
tary.

There being no other business the  
meeting adjourned.

## "WOMAN TRAP" CURRENT FILM.

Jewel thieves, a front-page report-  
er, a thrill-seeking girl, and a Fed-  
eral Agent posing as a "bad man"  
provide the adventure-bristling ele-  
ments of Paramount's new drama  
"Woman Trap", current film at the  
Colonial Theatre.

This film is excitement-packed.  
Thrill follows thrill in a crescendo of  
dangerous situations, with death from  
the bullets of a gang of fugitive  
desperadoes facing Gertrude Michael  
and George Murphy in their perilous  
romance. Following a hold-up, a  
shooting affray ends the life of a  
double-crossing member of the gang,  
which makes for Mexico, and hides  
out in a hacienda belonging to a  
suave conspirator. The reporter, hot  
on the scent of the story, follows. The  
girl, keen for novelty, accepts the  
invitation of the gang to come along,  
and unwittingly serves as a trap to  
lure the reporter to his doom.

A surprising climax turns the  
tables on the gang, right on the bor-  
der. Others in the cast are Roscoe  
Hinds, Sidney Blackmer and Dean  
Kagans, Akim Tamiroff, Samuel S.  
Jagger.

## CHEVROLET INCREASES PRODUCTION.

Chevrolet Motor Company report-  
ed production for January of 104,  
193 units, an increase of 45,795 over  
January, 1935, and 12,609 units more  
than the best previous January  
(1928) in the history of the company.

January marked the third month  
in succession having production ex-  
ceeding 100,000 units, and was sev-  
enth 100,000-car month in 11 months.  
Production beginning with Novem-  
ber, 1935, when the current new  
models were introduced, through  
January, totaled 328,553 units. Each  
of the three months set a new all-  
time record, as compared with cor-  
responding months in the history of  
Chevrolet.

Chevrolet's first 100,000 car month  
was March, 1927. This year was the  
first time January reached six fig-  
ures.

Production figures for January, as  
reported by Chevrolet, include 100,  
039 domestic and export units, and  
4,154 built in Canada.

## ABOUT THE BOND ISSUE.

From the LaCoste Ledger, Jan. 31st.  
THE Farmers' Council of Medina County, which initiated the soil erosion work in the county early last fall and has already accomplished much in the way of terracing the farm lands of the county, has initiated another movement which has for its purpose the procuring of a fitting memorial to the Medina county boys who made the supreme sacrifice in the world war. It was proposed by the council in a resolution, presented to the commissioners court early in December, that in recognition of the heroic services and in memory of the Medina County dead heroes, the county procure or cause to be procured a beautiful park, in which should be erected an appropriate bronze tablet sacred to the memory of the departed heroes.

FURTHER the council proposed that bonds of the county be issued in the sum of \$20,000.00 to pay for the needed grounds, which may be repaid over a period of years out of the present tax levy without any additional levy. The resolution called attention to the Medina County Fair Grounds, a tract of 90 acres together with costly improvements, which may be purchased for a sum not to exceed \$20,000.00, and suggested that the property be acquired for the purpose of maintaining it as a county park dedicated to the sacred memory of the Medina county war veterans.

It was further asked that the county authorities take steps to secure state and federal approval of said park site with a view of procuring the maintenance of same as a state park and that the improvements and lands not needed for the proposed state park be retained by the county for agricultural and amusement purposes. The council which is composed of representative farm men from every community in the county, had in view the probable need for the continued use of a part of the properties for use in displaying agricultural exhibits, which within itself is a worthy undertaking because of the encouragement given to the efforts of farmers in growing better crops.

ACTING upon the suggestion made by the council, the county commissioners, after considering a petition signed by more than 125 property taxpayers of the county, have ordered an election to be held in said county on the 29th day of February to determine whether or not a majority of the property taxpayers of the county desire the issuance of the proposed bonds for the purpose outlined in the resolution adopted by the county council and favored by hundreds of other Medina county citizens as a laudable and worthy undertaking.

THE bond election order provides for the purchase of this specific property to be used for public parks and playgrounds and provides for a tax levy to repay the bonds together with interest thereon. Whether or not this levy may be taken care of out of the present levy may not be definitely known, but the cause for which the bonds are to be issued if authorized

is a most worthy one and one that has been neglected for years.

SUCH a park and play grounds, to say nothing about the possibilities of maintaining a suitable place for the holding of annual crop exhibits, is something Medina county ought to secure while it is available. If, after the site has been converted into a county park, it can be further enhanced by converting same into a state park it will be of added value as a county attraction.

RECOGNITION of the services of the world war veterans should not go unnoticed and there is no better or less expensive way of giving proper recognition to the splendid services rendered than by procuring some kind of lasting memorial. The county park grounds, situated close up to the county seat, are well located for the purpose and this election should have the careful consideration of the entire citizenry of the county. adv.

## DEVINE NEWSLETS.

From The Devine News.

Joseph Courand, long time merchant of Castroville, has been elected honorary president for life of the Alumni Association, St. Mary's College, San Antonio. He was of the class of 1872 and has done much for the college, according to The Rattler, college paper.

## C. OF C. MEETING DISCUSSES BANKS AND PARKS.

The directors of the Chamber of Commerce and a few others met Monday night and discussed routine matters. A Mr. Webster of San Antonio was present, representing San Antonio capital in regard to a new bank for Devine. Said after discussing the situation during the afternoon with different persons who might later be interested in opening a bank here, he thought it wise to defer the matter until later in the year. This was the opinion of most people we have heard express themselves.

President Tally discussed the Park proposed at Hondo and thought Devine should favor it, if they would split up and give Devine a part of the money so voted. Mr. Patterson said as the election has been called for specific bonds for a specific purpose, no part of the money could be diverted to a park at Devine, or elsewhere, in his opinion, and the matter was dropped. Mr. Talley stated that the highway department would probably establish two or more parks down this way, if suitable locations could be secured. It is generally thought that in establishing public park, there should be water and trees for shade, both of which could be had near Devine.

## PLANT GROWER REPORTS LITTLE DAMAGE TO PLANTS.

F. R. Briscoe, the plant man, says where the plants have been kept watered good there has been little loss. One of his men watered about half his plants, then quit, and the plants watered were not injured while the others dry were killed. There has been little demand so far for plants, owing to the cold weather north and east, Mr. Briscoe says.

Joe Monkhouse, an ex-Hondo man, now in business in Uvalde, was here one day this week and speaks of making the race for Representative of this district against Joe Caldwell, the present incumbent. Will probably announce in a few days, he said. Was just taking a "Once Over" of the district.

## FROM YANCEY.

It seems our belated winter is doubling up on us and every radio broadcast is predicting more cold. A good rain should be predicted.

Our mumps epidemic has about run its course. Most of those are able to be out again.

Mr. Coy Berry went to San Antonio last week for an appendix operation, which he underwent successfully. After a few days at the Nix Hospital he was removed to his sister's home, Mrs. Ora Thompson, who is a graduate nurse.

Mr. J. G. Weekley motored to San Antonio Saturday to see and hear Admiral Byrd.

Mr. and Mrs. Charlie Heilgman, Jr., are occupying their home near George's Store and J. D. Baker and family moved into the home near the Adventist College.

Mr. and Mrs. Rowland Wilson and son of Cotulla were here for a short visit with homefolks.

Mr. H. G. Wilson is improving in health; he has been confined to his room for about two weeks.

Mr. Frank Ward and family and Mrs. P. D. McAnely and family were guests of Mr. G. C. McAnely's family Sunday.

Mr. M. F. Ward went to Medina Hospital for treatment and may probably undergo an operation.

## RESOLUTION.

Hondo, Texas, Dec. 10, 1935.  
Hon. County Commissioners' Court of Medina County, Texas,  
Hondo, Texas.  
Gentlemen:

We, the undersigned, constituting the Farmers' Council of Medina County, Texas, respectfully present the following resolution which was passed by our Council at a meeting held on Dec. 9th, 1935, and request that same receive your earnest and immediate attention.

## RESOLUTION.

Whereas, during the recent world war the flower of our citizenship offered themselves in the defense of our country, many of whom made the supreme sacrifice by giving their lives;

Whereas, it has long been the desire of our people to establish a fitting memorial in recognition of said patriotic services, and in memory of our dead heroes;

Whereas, we believe it would be the wish of our said soldiers, if they could express such wish, that any memorial erected in their memory should be one useful as well as beautiful;

Whereas, it is the consensus of opinion among us that nothing more decorative or useful could be constructed than a beautiful County Park with a fitting bronze tablet, which could be converted into a State Park maintained by the State and at the cost of the State;

Whereas, for a number of years Armistice Day has been commemorated and kept by our people at the Medina County Fair Grounds which place is most excellently located and equipped for every kind of lawful amusement, with an abundance of good water and electric lighting;

Whereas, said premises consisting of 90 acres of land could be placed as a park and also used as a place of amusement and for agricultural exhibits by the people of this county;

Whereas, said premises could be purchased at a reasonable cost of approximately \$20,000.00 including the land and costly improvements;

Whereas, we find that Medina County out of its present levy of taxes can purchase said property and pay for same, over a period of years, without any additional tax levy, thus giving us a fit and most worthy memorial of our departed heroes;

Therefore, we ask that a petition be prepared which we will circulate, calling for an election throughout Medina County, authorizing and directing the Commissioners' Court to

issue Park Bonds in the sum of approximately \$20,000.00, for the purchase of said property by the county, and that same be duly dedicated to the Sacred Memory of the War Veterans of Medina County; we further ask that immediate steps be taken to secure Federal and State approval of said park site in order that same may be made into a State Park, maintained by the State, and that the improvements, and land not needed for park purposes be retained by the county for agricultural and amusement purposes.

Respectfully submitted,

CONSTIPATION

A cleansing dose today, a smaller quantity tomorrow, less each time, until bowels need no help at all.

ANY mother knows the reason when her child stops playing, eats little, is hard to manage, Constipation. But what a pity to set things right! The ordinary laxatives, of even primary strength, destroy all hopes of restoring regularity. A liquid laxative is the answer, mothers. The answer to all your worries over constipation. A liquid can be measured. The dose can be suited to any age or need. Just reduce the dose each time, until the bowels are moving of their own accord and need no help. This treatment will succeed with any child and with any adult. Doctors use a liquid laxative. It is best for their use, it is best for home use. The liquid laxative they generally use is Dr. Caldwell's Syrup Pepsin. Any druggist has it.

### ATTENTION, MEDINA COUNTY VOTERS.

On the 29th, fail not, but vote against the \$20,000.00 bond issue. Don't let the 15 cents tax on the \$1,000.00 assessment mentioned in this paper last week deceive you. The fees of the collector and assessor must be paid, the playground has to be maintained, and the interest paid on the bond issue, and it may be \$5.00 on the thousand, who can tell? Be wise and vote NAY.—This adv. paid by the Castroville Tax Payers' League. It.

The coldest spell of the season struck here late Monday and the thermometer on Tuesday was down to 22 above zero.

Frank Tschirhart and several others from here were at Alamo Downs Monday, taking in the races.

L. W. Burrell and son, Robert were Hondo visitors last Tuesday.

Robert Boehme and family of Rio Medina were Castroville visitors Sunday.

F. W. A. workers who are fixing the road between the two dams, on last Tuesday, discovered a car parked on the side of the road and upon investigation found a dead man with a pistol on his lap and a bullet through his brain. He was a soldier from San Antonio, and about an hour before they found him he had passed where the men were working. Haller and Haller were at once notified.

BEFORE you take any preparation you don't know all about, for the relief of headaches, or the pains of rheumatism, neuritis or neuralgia, ask your doctor what he thinks about it—in comparison with Genuine Bayer Aspirin.

We say this because, before the discovery of Bayer Aspirin, most so-called "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice.

Countless thousands of people who have taken Bayer Aspirin year in and out without ill effect, have proved that the medical findings about its safety were correct.

Remember this: Genuine Bayer Aspirin is rated among the fastest methods yet discovered for the relief of headaches and all common pains... and safe for the average person to take regularly.

You can get real Bayer Aspirin at any drug store—simply by never asking for it by the name "aspirin" alone, but always saying BAYER ASPIRIN when you buy.
